Introduction to Construction Trades	PM	Leanne
Introduction to Transportation Trades	AM	Leanne
Introduction to Transportation Trades	PM	Leanne
New Visions		
Health Professions	AM	Lisa

Notes:

- **No class transfers OR new enrollments made after the end of the CTE 1st interim period for all NYS approved programs (typically end of September).**
- **No class transfers or new enrollments after 1st Quarter in Foundations and Introductions classes (typically end of October).**

New Visions Health Professions is a selective program for college-bound seniors.

Academic classes should be selected at the time of enrollment at the discretion of the district.

ELA 12: Seniors participating in year one of any **2-year NYS approved program** are eligible for ELA 12.

Health (½ credit): can be awarded after year-one for: **Nurse Assisting and Dental Assisting.**

Health (½ credit): can be awarded after year-two for **Medical Laboratory Assisting and Phlebotomy.**

Specialized Math: can be awarded after year-two for **Computer Technology.** This credit must be requested when registering a student for BOTH years of Computer Technology.

Foundations and Introduction Courses: Smaller class size capacity in the PM session than AM session.

*Electro-Mechanical Trades: **Seniors only; 1-year program** (pending NYSED approval in 2026-2027).

2026-2027 Session Schedule

AM: 7:50 a.m. – 10:15 a.m. (4 credits)
 PM: 12:00 noon – 2:25 p.m. (4 credits)

NV Health Professions operates during AM session
